It is estimated that Wichita had the est business day in its history yesterday. quired wide sidewalks for the happy Christmus throng, for everybody was carrying a rocking chair, a hobby horse, an embarranement that was very the Jackton Lumber company, had an automobile or something else to make

bush to zet out. He was pretty wet and call, but the warst of it was, the boys househed to think their pans should go on to show them the colld fee and then fall in himself. It theiled them immensely and he is rather sore at the fee, of, maybe, the fellow who fell in and tempted him out on the less.

The "Cemetery Association" of Del Rio. Texas, has discovered a scheme to help its bushness. It issued inches which, with fifteen cents, entitle the holiagre to a can of alum bahing powder—one of the cheap missions, sold from fifteen cents of twanty-five cents a pound—keeping secret, of course, the fact that it contained plum. The "Cemetery Association" evidently got the idea from the sectate committee on platon health of a neighboring state, which recently early "Alum he a poisonnous inherial acid, which is chiefly employed for dyeling and bloaching, but which is recently early "Alum he a poisonnous inherial acid, which is chiefly employed for dyeling and bloaching, but which is recently early "Alum he a poisonnous inherial acid, which is chiefly employed for dyeling and bloaching, but which is recently early "Chief Sam Academ Postmaster James P.
